used for spirals

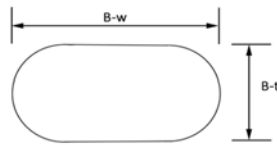

Chain Edge
If chain edges, please also
complete our Chain Edge sheet

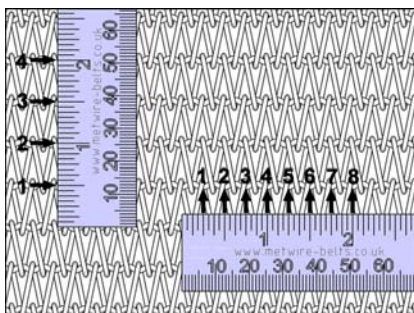

Information Required To Quote

If Flatwire used

To get more accurate measurements for dimensions 'A' & 'C' measure over 10 pitches then divide by 10 this will give you the average

'A'	Lateral Pitch	
'B'	Spiral Wire Diameter	
If Flat wire	'B-w'	
	'B-t'	
'C'	Longitudinal Pitch	
'D'	Crimp Wire Diameter	
'L'	Length of Belt	
'W'	Overall width of Belt
