If chain edges, please also
complete our Chain Edge sheet

Information Required To Quote

To get more accurate measurements for dimensions 'A' & 'B' measure over 10 pitches then divide by 10 this will give you the average

'A'	Lateral Pitch	
'B'	Longitudinal Pitch	
'C'	Wire Diameter	
'L'	Length of Belt	
'W'	Overall width of Belt	
	Material	
	Edge
